JURY TRIAL REQUESTED

**JOINT INTERIM STATUS REPORT**

Pursuant to Paragraph 8 of the Court's Scheduling Order, the Parties hereby submit this Joint Interim Status Report.

## **I. NATURE AND STAGE OF THE PROCEEDINGS**

Callertone filed these patent infringement cases asserting U.S. Patent Nos. 7,852,995 and 7,860,225 against Defendants' ringback tone and related services. Defendants filed defenses or counterclaims seeking declaratory judgments of non-infringement and invalidity as to both patents.

The Court's scheduling order (e.g., C.A. No. 11-1036, D.I. 20) set June 14, 2013, as the date for the substantial completion of document production. On June 11, 2013, the parties filed a joint claim construction chart. The parties are set to begin claim construction briefing on July 9, 2013, with a claim construction hearing set for September 6, 2013.

Fact discovery is to be completed by December 3, 2013. The Court has not yet set a trial date.

## **II. PROGRESS OF DISCOVERY**

Discovery in this case is ongoing. The parties have a number of discovery disputes that they are attempting to resolve independently and will bring to the Court's attention if necessary. Specifically, Defendants have requested and Plaintiff has agreed to supplement its document discovery

## **III. ISSUES REQUIRING THE COURT'S ATTENTION**

There are no pending motions at this time. The parties are attempting to resolve a number of outstanding disputes. At this time none require the Court's attention. To the extent any of those disputes subsequently require the Court's intervention, the parties will address them in accordance with the Court's rules.

Respectfully Submitted,
